The club will request in the budget to the HOA for 2021 to have court resurfaced. This year the HOA has in their budget for 5 windscreens, 2 nets and 2 squeegees, which we have yet gotten according to Harry.

VP In-House tournament>will be April 8-10. Further details will be forthcoming in an email to club members.

PB club dance> the committee requested that ticket price for the event be raised from \$25-\$30 per ticket. Motion was made to raise ticket price to offset some of the cost to \$30/ticket. Motion was passed to do so.

PB Paddle Challenge league>this league is in need of 2-3 people to manage. Email will be sent out to have people to volunteer for this.

Other Business

Car Show>this event is organized by Roger Fromme. The event is to raise money for the Wounded Warriors. The event brought in \$595 and the board voted to donate and additional \$155. A total of \$750 will go to the Wounded Warrior organization.

PB Rating Committee>a discussion on the level of play for tournaments was discussed. Is the current system of having players rate themselves or based on play in leagues working. It was brought up that there was a rating committee at one time but there was more complaints regarding this because players were rated and then disagreed with the rating so they stopped. Bill Dysert suggested that we could have one and those that would like to get rated could. It was decided to establish a committee regarding a player rating system.

No other business was brought up. Meeting was adjourned. Next meeting will be Tuesday, March 17th.
